

Camp Linden Autumn Views

November 2013

Dear Friend of Camp Linden,

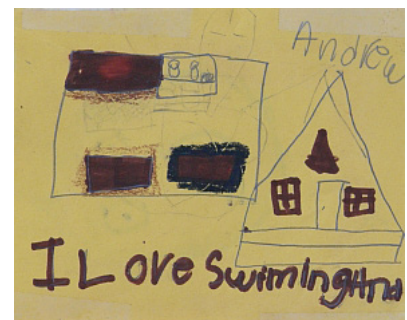

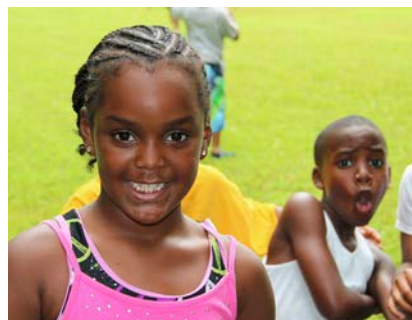

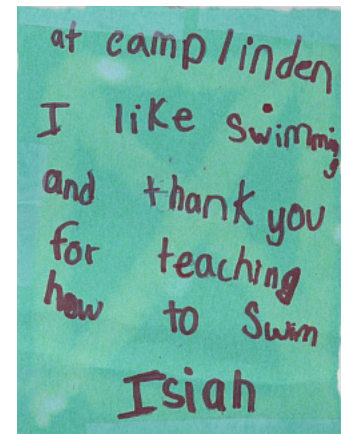

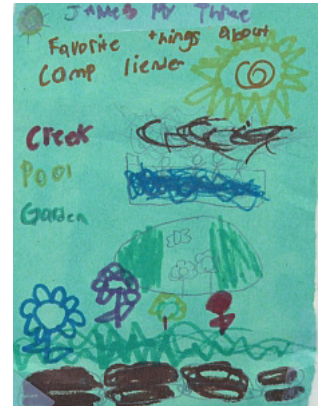

We come, once more, knocking on your door to ask for your support. Perhaps you already know and need no convincing --- maybe just a gentle reminder.

Last summer over 250 children from the streets of Philadelphia attended camp to plant seeds, tend the garden and taste the vegetables, to walk the trails and capture scary bugs and spiders, to dance to the beat of Lenape drums, to swim in the pool and wade in the Brandywine, to become close friends with a caring counselor, and to meet the challenges of days of rain and heat.

The enclosed children's expression of appreciation and thankfulness speaks for itself. Your generosity makes all this possible!

\$25 brings one child to camp for the day.
\$150 brings that child to camp for the entire summer program of six weeks. Your gift, regardless the amount, is deeply appreciated and vitally important.

Thank you.
Leonard Weeks, Chairman
Camp Linden Committee

 Dear Camp Linden, I enjoyed being at camp Linden because I learned about different bugs because I see those type at home and also enjoyed the pool because they taught us how to swim.
